complaint

42 USC 1983. This is a Ambassador massacre on my civil liberties. no Goodwill Charities or UN, Soldiers defend me at FCI Williamsburg in Solitary. I seek a peace treaty and a DMZ Line. I need help. I get no commissary, no stamps to write my family, I can't use the phone. I weigh 120 Lbs at 5 ft 10 inches, I'm hungry, Cold. Belafonte needs to help, I hear inmates screaming, at night mysterious bugs roam my floor. This is unconstitutional, I seek \$25 million for emotional distress.
